***Intersections: Artist Books & Documentary Poetics***

Dear Students,

I hope this message finds you doing as well as possible during these challenging times. And as states open up more and more of their businesses and outdoor spaces for summer activities, I hope you'll enjoy good times with your friends and family.

I am looking forward to meeting you and working with you in our First-Year Seminar, *Intersections: Artist Books & Documentary Poetics*, which will introduce you to an exciting field that combines creative writing, literary studies, letterpress studio arts, critical theory, and digital media. Our activities will expand your knowledge and energize your talents, giving you new opportunities to become critical thinkers who make cool things.

If you would like to be in touch during the summer, or if you have any questions about our course, I would be happy to hear from you.

All best wishes,

Scott
