DISCOVERIES AFTER DARK

Evening programming will be provided each of the nights of move-in & orientation week.

Events are a mix of virtual and in-person programming with limited capacities due to restrictions surrounding Co-Vid19.

All students participating in in person programming will be asked to maintain social distancing of 6 feet and wear a mask.

More events are constantly being added and will be updated in Crimson Connect for all incoming students.

Current events include escape rooms, comedians, murder mysteries, drag bingo, social dis-dance, and both virtual and in-person film screenings.

Late night dining will also be open to students who want to grab desserts or snacks from the dining hall before participating in any virtual late night programming.
